FROM THE POOPDECK.....

Once again our annual Regatta is going to be underway on August 28th. But, we need your help to get the grounds in shape. Commodore Hendel urges everyone to cut the weeds in front of their boats. Several work parties are going to be arranged prior to the 28th. Harbour master, Ralph Fiedler, is planning to build docks and have the pilings along the shoreline installed and have the East Harbour in shape. Rino Masotti is going to fix the overflow in the septic tank, so that the heads once again flow with abundance. Hopefully Bondy will have completed the parking lot levelling and some stone placed to eliminate the muddy conditions. Paul Hoffman is looking after water into the clubhouse. A meter pit will be placed near the highway by the Township and Roland Demers contracted to install the 2" line to the clubhouse and to install copper plumbing to sinks and toilets and to install a hot water heater. Trealot Construction is to start work on fixing the house at the end of the road.

Dave Brigham states that L.M.Y.C. T-shirts will hopefully be ready for Regatta.

Remember that Southports' Regatta is scheduled for August 20th & 21st. Programs for this event are on the Bar in the Clubhouse. Along with Southports program get Cedar Islands program too. It is right after ours on Labour Day Weekend, Sept. 3rd & 4th.

The Harvestmoon Regatta will once again be held in mid Sept. with Southport as the host club.

Last Saturday, Aug. 6th saw two LaSalle Mariners walk away with first and second flags in USYRU division. 'Hot Diggity Dog' with Dennis Hendel took first place with Dick Benning and 'Scarecrow II' taking second. Of the 16 boats in this class 13 of them were from L.M.Y.C. - a fine participation from our club. Wednesday night races have been great - well over 12 boats each night. Two fleets have been formed with the smaller boat having the first start the last few weeks due to dissipating winds at sundown.

con't.....

During the summer months of July and August there have been several members teaming up and going on, anywhere from 1-4 week long cruises. The Munden's and Fiedlers met up with the Hendels at Alpena on their cruise in Lake Huron and the Robitaille's and McDermard's cruised up to Georgian Bay. Vice Commodore Hoffman and his wife just left for Lake Huron last Monday. The Citrons, Mazak's, Geary's, Renwick's and Rubery's teamed up in 5 boats and cruised to Put-in-Bay, Cedar Point, Vermilion and Pelee Island for a week. It seems LaSalle Mariners are turning out some fine cruises besides our all ready well known reputation as racers.

In closing mark on your calender our Regatta on Aug. 28th. Prior to the Regatta our next General Meeting is scheduled for Tuesday August 23rd - 7 P.M. in the clubhouse.

E.J. (Ted) Renouf, a proud new owner of a C & C 27 named FireFly, if accepted will become the 53rd member of LaSalle Mariners. Along with Ted, Fred Dane, an R.C.M.P Constable has also applied for membership. He is the owner of a C & C 30.
